Introduction

Red Star Refine Technical Services LLC is a venture capital/investment, Technical Services and Consultancy company registered in Dubai, UAE, and Islamic Republic of Afghanistan. With business addresses in Sherpur, Kabul, Afghanistan and Business Bay in Dubai, UAE, the company is a business creator. We identify highly technical and large-scale complex projects in the market and create partnerships with capable technical foreign and local companies to foster innovative, efficient, and locally accepted solutions.

Red Star takes on projects in agriculture, infrastructure, energy, telecommunication, technical services, mining, and highly technical/sensitive material supply. We identify opportunities, find suitable local and foreign partners, and prepare winning proposals/bids. We work with our partners to implement projects efficiently and safely.

Red Star is a company with vast financial resources and understanding of local attributes and systems. We use our reach to secure projects and implement projects. We shoulder the financial risk of projects, and our partners only provide equipment necessary and technical expertise. We acquire businesses with cutting edge products in the market, re-structure them using our business management experts and turn them into profitable ventures.

Red Star is composed of professionals with background in procurement, business management, engineering, agriculture, and technical services. In addition, Red Star enjoys having a pool of non-resident subject matter experts which can get on-board by short notice. We invest in businesses that care for people, create employment and opportunities through creative solutions and innovation.

Red Star Tourist and Travel Agency enjoys an excellent reputation within the tourism industry in Afghanistan, founded in 2020 is an Afghan owned and owner managed company, concentrating on both, Corporate Visa/Travel Management & Individual Visa/Travel Arrangements, we do have sufficient manpower to take care of any travel arrangements required. We remain committed to our principles of giving individual and personalized services to each and every customer.

Our wealth of experience stands behind our firm commitment to duly offer the best and finest breathtaking experiences. We offer Visa services and exceptional air fares; tailor made itineraries, incentive travels, conference booking, family vacations, beach holidays, air, and road packages and much more.

Red Star Tourist and Travel agency is committed to offer all clients professional, personal, and cost-effective Visa and travel services.

“

Message of the Founder

To be successful in our business, we do everything we can; but we also believe that real success is God-gifted by adding a bit of luck to our visions.

Najmuddin Sayas
Founder & President

”

Corporate Social Responsibilities

Committed to Community. Committed to Future

These words express Red Star's corporate philosophy and convey the values we adhere to. They are more than just words, they emphasize the respect we have for the people around us, the value we create within our community and our contribution to society.

These values inspire us to fulfill our corporate, social and environmental responsibilities in all that we do, in order to help create a better quality of living for the people of Afghanistan and ensure that economic and social progress continues within our community.

As a responsible corporate citizen, we care about the well-being of our team and our community, as well as the interests of our stakeholders. We recognize that good corporate governance has a positive and immediate effect on the success of our employees and our company, as well as improving the sustainability of our business for the future.

Our Clients

Red Star LLC has worked and provided services to various local and international entities and government agencies.
